

Session 2025-26

Event Report- Class-LKG

Day & Date: December 17th, 2025 (Wednesday)

Event Name: Animal Kingdom

Objective of the event:

- To make learning enjoyable through role-play, songs, and interactive games.
- To help students identify different animals, their sounds, and habitats.
- To develop awareness and love for animals and nature.

Total No. of Students: 26

No. of Participants: 23

Event Highlights:

- Students will collaborate with peers, practising teamwork and taking turns.
- Students will dress up as different animals, showcasing creativity and confidence.
- Students will enjoy a fun and festive atmosphere.

Brief Note about the Activity: The Class LKG Event Animal Kingdom –

Students came dressed in **animal costumes** for this activity. They spoke about the animal they were dressed as and also made its sound. This activity helped students to recognise animals, understand their sounds, and communicate with confidence. **They also learned more about the animal kingdom, such as different types of animals, where they live, and why animals are important to us.**

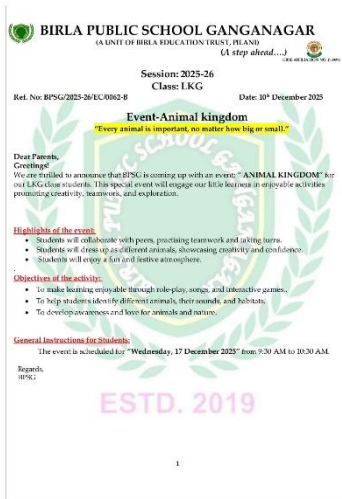

Outcome of the Activity:

- Children identified and named different animals.
- They learned and made the sounds of animals.
- Students understood where animals live (land, water, air).
- They learned what animals eat and the importance of caring for animals.
- The activity improved their confidence and speaking skills.
- Confidence levels rose as children performed in front of peers and teachers.
- Artistic and cultural awareness was deepened through meaningful content.
- A joyful and inclusive atmosphere encouraged active participation.
- Students experienced a sense of accomplishment and pride in their efforts.

Enclosures:

1. **Circular of the Event**
2. **Poster of the Event**

3. Parent Invitation
