

## Session 2025-26

# Computer Event Report:

## Resu Revolu (Resume Creation Using AI & Docs)

**Day & Date:** Tuesday, 2 December 2025

**Class:** X

**Event Name:** Resu Revolu - Resume Creation Event

### **Objective of the Event:**

The objective of the event was to familiarize students with professional resume writing using AI tools and document-editing platforms. The activity aimed to develop career readiness, digital documentation skills, and understanding of professional presentation.

### **Event Highlights:**

The "Resu Revolu" Resume Creation Event was conducted for Class X students with great interest. Students created structured and professional resumes using AI assistance and document tools, focusing on formatting, content organization, and clarity. They learned how to highlight skills, achievements, and goals effectively. The hands-on activity provided practical exposure to professional documentation, preparing students for future academic and career opportunities.

### **Outcome of the Event:**

- Students learned to create professional resumes.
- Understanding of AI-assisted documentation improved.
- Confidence in career-oriented digital skills increased.
- Awareness about self-presentation and professionalism was developed

### **Event Poster**

The poster features the school's logo and name at the top. Below it, the text reads "COMPUTER CLASSROOM EVENT" and "CLASS X RESU REVOLT". The date "Date: 02 December 2025" and venue "Venue: Computer Lab" are prominently displayed in a rounded box. The background shows a collage of resumes and a smartphone displaying a resume creation app. At the bottom, there are social media icons and the school's website URL.

Regards,
