Computer Event Report:

Pitch Perfect (Cyber Security Presentation Event)

Day & Date: Tuesday, 1 December 2025

Class: VIII

Event Name: Pitch Perfect - Cyber Security Presentation Event

Objective of the Event:

The objective of the event was to create awareness among students about cyber security and safe digital practices. The activity aimed to enhance research skills, presentation abilities, and understanding of cyber threats and preventive measures in the digital world.

Event Highlights:

The "Pitch Perfect" Cyber Security Presentation Event was conducted successfully for Class VIII students with enthusiastic participation. Students prepared structured presentations focusing on topics such as cyber threats, online safety, data protection, and ethical digital behavior. Under the guidance of teachers, students confidently pitched their ideas using digital presentation tools, combining content, visuals, and communication skills. The event encouraged students to think critically about real-life cyber issues and propose preventive solutions. Well-researched and impactful presentations were appreciated.

Outcome of the Event:

- Students developed awareness about cyber security and online safety.
- Research and presentation skills were enhanced.
- Confidence in public speaking improved.
- Students gained understanding of responsible digital citizenship.
