

# BIRLA PUBLIC SCHOOL GANGANAGAR

**SESSION: 2025-26**

**Event Report**

**CLASS - Nursery**

**Day & Date:** December 17, 2025 (Wednesday)

**Event Name:** **Earth Explorers Adventure**

**Objective of the Activity:**

- To build confidence in speaking and expressing themselves using puppets.
- To develop communication and social skills through interactive puppet conversations and greetings.
- To promote group participation and cooperation during puppet greetings and sing- along karaoke activity.

**Total No. of Students:** 19

**No. of Participants:** 12

**Brief Note about the Activity:**

Students participated in a creative and interactive event titled “**Earth Explorers Adventure**”. In this activity, celebrating their curiosity about our planet. The activity combined hands-on art with exploration of the social science lab to deepen their understanding of Earth. This visit helped them connect classroom learning with real-world visuals in an age-appropriate way. This whole event fostered fine motor skills, self-expression and an early sense of care & responsibility towards the Earth.

**Outcome of the Activity:**

- Children began to understand that Earth has land and water, and that it needs care and protection.
- Children improved fine motor skills and hand-eye coordination while doing hand printing.
- Children developed a positive, caring attitude towards Earth & the environment in an age-appropriate way.

**Enclosures:**

1. Circular of the event
2. Poster of the event
3. Photographs of the event

**Event- "Earth Explorers Adventure"**  
**Earth Explorers Adventure- Discover, Learn and Care for our Planet!**

Dear Parents,  
 Greetings!  
 We are thrilled to announce that BPSG is coming up with an event- "Earth Explorers Adventure" for our Nursery class students. This special event will engage our little learners in enjoyable activities promoting creativity, teamwork, and exploration.

**Highlights of the Event:**

- Visit to the Social Science Lab.
- Nature Scavenger Hunt.
- Nature Art.

**Objectives of the activity:**

- To develop early awareness of the natural world by connecting classroom learning to real-world activities and outdoor discoveries.
- To enhance vocabulary, communication and descriptive skills through discussions about findings during the social science lab visit and scavenger hunt.
- To foster creativity and self-expression as children use natural materials to create nature-inspired artwork, encouraging appreciation and care for the environment.

**General Instruction for Students:**  
 The event is scheduled for Thursday, 17th December, from 9:30 AM to 10:30 AM.

Regards,  
 BPSG
