SECONDARY SCHOOL AFFILIATED TO CBSE, NEW DELHI

**Session: 2025-26**

## **From Heritage to Horizon: A Journey of Unity, Values, and Knowledge**

From heritage to modernity, along the stream of unity and knowledge, Birla Public School Ganganagar organized an enriching educational and scholastic excursion for the students of Classes VIII and IX, held from 24 to 30 December 2025, in which 50 students participated. This seven-day journey offered students a firsthand experience of Gujarat's rich historical legacy, cultural diversity, and modern progress, with visits to Vadodara, Diu, Somnath, and Ahmedabad. The primary objective of the tour was to extend learning beyond classroom walls and acquaint students with India's diverse culture, architectural brilliance, and the life philosophies of great national leaders. At the Statue of Unity, the world's tallest statue, students reflected on the indomitable courage of Sardar Vallabhbhai Patel and reaffirmed their commitment to national unity and integrity; in Diu, they witnessed the harmonious blend of pristine natural beauty and medieval history through its serene beaches and majestic fort; at the Sabarmati Ashram, they absorbed the values of truth, simplicity, and non-violence that shaped Mahatma Gandhi's life and India's freedom movement; the visit to Swaminarayan Akshardham, Gandhinagar, introduced them to the spiritual, cultural, and artistic richness of Indian heritage; and at Gujarat Science City, students explored the role of science and innovation in human welfare and environmental sustainability, nurturing scientific temper and curiosity. Ensuring holistic development and safety, the tour was guided by dedicated teachers Mr. Sanjeev Kumar, Mr. Shyam Sundar, Mrs. Mandeep, and Mrs. Preeti, whose constant guidance and discipline made the journey smooth and meaningful. On the students' safe return, the Principal, Dr. Nitesh Kumar Singh, motivated them with inspiring words, emphasizing that education extends beyond textbooks and that travel teaches patience, cooperation, and practical life skills. The excursion not only allowed students to enjoy Gujarat's cuisine and art but also helped them develop social values through group living, earning heartfelt appreciation from parents. Overall, the journey emerged not merely as a tour but as a true confluence of education with values, where students experienced the glory of the past, the strength of the present, and the promise of the future in a single, transformative learning experience.
