

**Session: 2025-26**

## **INETR HOUSE SCIENCE QUIZ COMPETITION**

**EVENT NAME- INTER HOUSE SCIENCE QUIZ**

**DATE AND DAY- House (13/11/25 and Thursday)**

### **Objective:**

The competition aimed to:

- Stimulate scientific curiosity, observation skills, and critical thinking among students.
- Promote teamwork, collaboration, and healthy competition among all four houses.
- Develop an interest in Science through interactive, activity-based learning.
- Encourage students to apply scientific concepts in real-life and experimental situations.

### **Participants:**

- Students Present- 39 Absent- 00

**Brief note about the activity:** The Inter House Science Quiz Competition was conducted on 13<sup>th</sup> November 2025 at Birla Public School, Ganganagar. Students from Classes 3 to 12 participated enthusiastically, representing their respective houses with great zeal. The quiz included multiple rounds such as Rapid Fire, Visual Round, Scientific Reasoning, and Application-Based Questions. The event successfully nurtured a spirit of inquiry and scientific temper among participants. Under the guidance of the respected Principal and teachers, students showcased strong conceptual understanding, quick thinking, and excellent teamwork. The atmosphere remained vibrant, competitive, and educational throughout the event.

### **Learning Outcomes:**

Improved scientific reasoning, observation skills, and critical thinking.

- Enhanced ability to apply scientific concepts to real-life situations.
- Strengthened teamwork, communication, and collaborative problem-solving skills.
- Boosted confidence, curiosity, and interest in Science as a subject.
- Encouraged healthy competition and sportsman spirit among students.
- Developed quick decision-making and accuracy under time-bound conditions.

### **Results**

**Category I (Classes 3–5):**

 **1st Place:** Wisdom House

 **2nd Place:** Honesty House

 **3rd Place:** Bravery

## Category II (Classes 6–8):

-  **1st Place:** Honesty House
-  **2nd Place:** Victory House
-  **3rd Place:** Wisdom House, Bravery House

## Category III (Classes 9–12):

-  **1st Place:** Wisdom House
-  **2nd Place:** Victory House
-  **3rd Place:** Bravery House

## Enclosure:

1. Circular
2. Poster
3. Activities done by students

**Subject: Science Event – “The Genetic Code – Decoding Life’s Blueprint”**

**Dear Parents & Students,**  
We are delighted to inform you about our upcoming science event titled “**The Genetic Code – Decoding Life’s Blueprint**”, which aims to introduce students to the fascinating world of genetics and heredity. This event is part of our initiative to make science learning engaging, inquiry-driven, and ethically reflective.

**Objectives of the Event:**

- Help students understand the concept of DNA, genes, and chromosomes.
- Explore how genetic information is passed from one generation to the next.
- Encourage curiosity about genetic traits, diversity, and the role of genetics in health and evolution.
- Promote ethical thinking around genetic technologies and biodiversity conservation.

**Activities:**

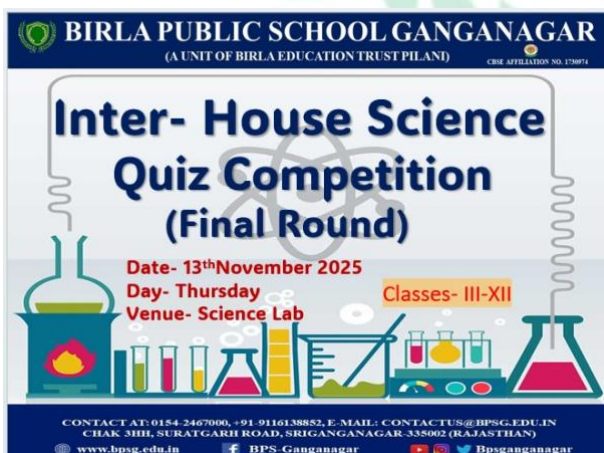

- Observing onion root tip cells to identify stages of mitosis.
- Crafting double helix structures using colored beads and wires.
- Exploring inherited traits through fun classroom surveys and charts.
- Decoding DNA sequences to reveal hidden messages.
- Drawing and labeling DNA, chromosomes, and gene maps.
- Engaging questions on genetics, heredity, and ethical dilemmas.
- Discussions on genetic engineering, cloning, and the importance of respecting genetic diversity.

**Event Details :**

- **Date:** 17<sup>th</sup> November 2025
- **Venue:** Class Room
- **Participants:** Class XII (Biology)

We encourage you to support your child’s participation in this enriching event. It promises to be a blend of scientific exploration, creativity, and ethical reflection – helping students appreciate the blueprint of life and its impact on our world.

**Best regards**
