Session 2025-26

Event Report- Class-UKG

Day & Date: December 17th, 2025 (Wednesday)

Event Name: Photo Booth

Objectives of the event:

- To introduce basic scientific concepts through hands-on experiments
- To develop curiosity and creativity in young learners
- To enhance fine motor skills and teamwork through interactive activities

Total No. of Students: 31

No. of Participants: 28

Event Highlights:

- Water Mixing Experiment: Exploring colour combinations 🌈
- Hair Friction with Scale and Paper: Learning about static electricity ⚡
- Sink and Float Experiment: Understanding density 📏

Brief Note about the Activity: The Class UKG Event Photo Booth-

The Science Experiment Event was a blast, with UKG students actively participating in various fun activities. The event encouraged kids to explore, question, and learn basic science concepts in an engaging way.

Outcome of the Activity:

- Students experienced a sense of accomplishment and pride in their efforts.
- Students grasped basic concepts like density, static electricity, and importance of hygiene
- Developed fine motor skills and teamwork through hands-on experiments
- Sparked interest in science and encouraged curiosity 🧐

Enclosures:

1. Circular of the Event
2. Poster of the Event

Event- Photo Booth

"Science smiles, Photo Booth shines – Let's capture the magic together!"

Dear Parents,
Greetings!
We are thrilled to announce that BPSG is coming up with an event: "Photo Booth" for our UKG class students. This special event will engage our little learners in enjoyable activities promoting creativity, teamwork, and exploration.

Highlights of the event:

- Students will collaborate with peers, practicing teamwork and taking turns.
- Students will dress up as different scientists.
- Students will enjoy a fun and festive atmosphere.

Objectives of the activity:

- To make learning enjoyable through role-play, songs, and fun experiments.
- To capture fun and spontaneous memories

General Instructions for Parents:
Students can bring material for science experiments but that should be age appropriate. They must know and speak about it.

General Instructions for Students:
The event is scheduled for "Wednesday, 17 December 2025" from 9:30 AM to 10:30 AM.

Regards,
BPSG
