"Crack codes, conquer clues, and quest through numbers!"

Dear Parents and Students,
Greetings!

We are excited to announce our upcoming Mathematics Event – "Number Quest", specially designed for Class 5 students. This fun-filled learning experience aims to spark curiosity, teamwork, and logical thinking while exploring the fascinating world of numbers!

Objectives of "Number Quest"

- To ignite curiosity and enthusiasm for mathematics through an engaging quest of numbers and logic.
- To nurture analytical thinking and creative problem-solving among young learners.
- To foster teamwork and collaboration through interactive and enjoyable math challenges.
- To connect mathematical concepts with real-life applications, making learning meaningful and fun.
- To inspire students to see mathematics as an adventure of discovery rather than just a subject.

Date: January 28, 2026
Time: Respective Maths Period
Venue: Classroom

During "Number Quest," students will participate in exciting activities and games that make math come alive!

Activities:

- Math Relay** – Teams solve a series of problems in a race against time.
- Puzzle Hunt** – Students decode math puzzles to uncover hidden clues.

Games:

- Math Bingo** – A fun twist on the classic game where numbers rule the board!
- Number Riddles Challenge** – Solve tricky riddles and test your number sense!

We encourage all students to take part enthusiastically and parents to motivate their children to join this quest of numbers, logic, and fun!

Let's make learning a thrilling adventure through numbers!

Warm regards,
Mathematics Department
BPS-G
