First Anniversary of 'Operation Sindoor': Students of Birla Public School Ganganagar Paid Tribute to Military Valour

Sriganganagar, 7 May, 2026

Students of Classes IX to XII at Birla Public School Ganganagar organized a series of patriotic activities to commemorate the completion of one year of *Operation Sindoor*. The school campus resonated with national pride as students participated enthusiastically in quiz competitions, poster-making activities, group discussions, and debate competitions dedicated to honouring the indomitable courage and sacrifice of the Indian Armed Forces.

As a gesture of gratitude, students also presented heartfelt gratitude letters to military families, expressing their respect and appreciation for their service to the nation.

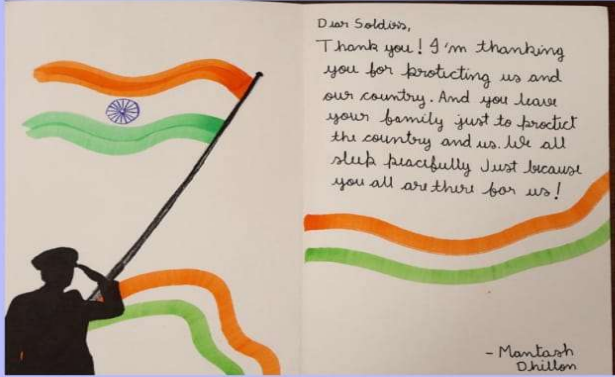

To provide students with a first-hand understanding of discipline and dedication, visits to military families were organized. During these interactions, students learned valuable lessons about sacrifice, commitment, and the disciplined way of life upheld by armed forces personnel.

On this occasion, retired Sergeant Mr. Lal Rampal Singh, son of Kargil War hero Honorary Captain Mr. Ramkishan (Service Medal Awardee), and the wife of Subedar Major Chandrashekhar were felicitated in recognition of their distinguished contributions and services to the nation.

Vice Principal Mrs. Sushila Saharan, in her inspirational address, stated: "Discipline is the foundation of character building. Every soldier of the Indian Armed Forces teaches us the values of sacrifice, dedication to duty, and unwavering patriotism. Students should draw inspiration from these brave heroes, strive for personal excellence, and pledge to uphold the dignity and honour of the nation."

The dignified event was successfully conducted under the able guidance of Vice Principal Mrs. Sushila Saharan and Headmistress Mrs. Akanksha Khullar.
