## BPSG Curriculum Committee (2026-27)

The primary aim of the Curriculum Committee (CC) is to design, implement, and monitor a robust pedagogical framework that aligns with the National Education Policy (NEP) 2020 and CBSE mandates. The committee ensures that the school transitions from rote memorisation to **Competency-Based Education (CBE)**, fostering a learning environment where every student achieves defined learning outcomes through experiential and holistic methods.

The committee operates with the following specific goals:

- **Pedagogical Alignment:** To ensure that the school's teaching-learning process is strictly aligned with the National Curriculum Framework (NCF-SE) and the CBSE Annual Pedagogical Plan (APP).
- **Competency-Based Learning:** To oversee the shift from "content-heavy" teaching to "outcome-based" learning, prioritising critical thinking, problem-solving, and the real-world application of concepts.
- **Integrated Instruction:** To facilitate the mandatory integration of **Art, Sports, and ICT** into the daily curriculum across all subjects to ensure multifaceted student development.
- **Holistic Assessment:** To design and standardize a 360-degree assessment system, including the Holistic Progress Card (HPC), which balances formative assessments with summative evaluations and includes self and peer feedback.
- **Inclusive Excellence:** To ensure the curriculum is adaptive and provides "Universal Design for Learning" (UDL) to accommodate **Children with Special Needs (CWSN)** and diverse learning paces.
- **Skill & Vocational Integration:** To effectively implement and monitor the **Skill Modules** (e.g., Coding, AI, Financial Literacy) mandated by CBSE for Middle and Secondary stages.
