EVENT REPORT

Category: General

Day & Date: 14.07.26 (Tuesday)

Event Name: "United Nations Organisation"

Objective of the Activity:

The main objective of "United Nations Organisation" activity was to raise awareness among students about the role and importance of the United Nations in promoting global peace, security, and cooperation. The activity aimed to educate young minds about the UN's efforts in solving international issues such as poverty, climate change, health, education, and human rights. It sought to encourage students to understand the 17 Sustainable Development Goals (SDGs) and how they relate to everyday life. The celebration aimed to develop a sense of global citizenship and responsibility among learners. The activity promoted values such as tolerance, equality, and respect for all nations. It also aimed to highlight the importance of dialogue, diplomacy, and peaceful conflict resolution.

Total No. of Students: 07

No. of Participants: 04

Absentees: 03

Brief Note About the Activity:

1. **Poster Making-** Students designed informative and creative posters summarizing their topic. The posters included illustrations, key facts, and were displayed in the classroom to reinforce learning for the entire class.
2. **Speech Presentation-** Students will prepare and deliver short speeches on topics related to the United Nations, such as its history, major accomplishments, Sustainable Development Goals (SDGs), peacekeeping missions, or global human rights initiatives.

Outcomes of the Activities:

The United Nations Organisation activity helped students gain a deeper understanding of the UN's role in promoting global peace, cooperation, and human rights. Through speech presentations, they learned about key issues such as climate change, poverty, and the Sustainable Development Goals. The activity encouraged critical thinking and research skills as students explored global challenges. It also boosted their confidence in public speaking. Learners became more aware of their roles as global citizens. The discussions promoted respect for diversity and international unity. Students reflected on how international organizations work toward a better world. It sparked curiosity and empathy toward other cultures and nations. Collaborative learning created a positive classroom environment.

Result: (Best Students)

The activity emphasized collective learning over competition. All participants showed commendable engagement and creativity. Each student was recognized for their unique contribution and was appreciated equally.
