Report

NCC Cadets Lead 'One Tree in Mother's Name' Plantation Drive at Birla Public School Ganganagar

Sri Ganganagar, August 7:

Reinforcing the message of environmental conservation and sustainable living, the NCC cadets of **15 Raj NCC Battalion, Sri Ganganagar**, organised a tree plantation drive under the nationwide "One Tree in Mother's Name" campaign at **Birla Public School Ganganagar**.

The initiative was conducted under the leadership of **Lieutenant Colonel V.K. Virk** and the guidance of **ANO Second Officer Sandeep Chouhan**. Demonstrating great enthusiasm and commitment, the NCC cadets planted saplings at various locations across the school campus and pledged to nurture and protect them, promoting the vision of a greener and healthier future.

The programme was graced by the presence of **Principal Dr. Nitesh Kumar Singh**, **Vice Principal Mrs. Sushila Saharan**, and **Headmistress Mrs. Akanksha Khullar**.

Addressing the gathering, **Principal Dr. Nitesh Kumar Singh** appreciated the cadets' dedication and stated that tree plantation is an investment in life, clean air, and a sustainable future. He emphasized that such initiatives cultivate environmental consciousness, social responsibility, and a spirit of selfless service among students.

Vice Principal Mrs. Sushila Saharan remarked that a sapling planted today has the potential to provide shade, fresh air, and hope for future generations. She urged students to recognise environmental protection as a collective responsibility and to contribute actively towards preserving nature.

Headmistress Mrs. Akanksha Khullar commended the enthusiastic participation of the NCC cadets and observed that every small effort towards protecting the environment helps build a healthier and more sustainable tomorrow.

The plantation drive concluded with the cadets reaffirming their commitment to safeguarding nature and spreading awareness about environmental conservation. The event highlighted that planting a tree is not merely an act of plantation but a meaningful contribution towards securing a greener, healthier, and more sustainable future for generations to come. The initiative served as an inspiring example of environmental stewardship and responsible citizenship.
