Theme:- Hobbies Heal: Fun, Friends, and Balance

Dear Parents and Students,

Greetings!

We are pleased to invite you to a vibrant and enriching Special Assembly by class VI A, centred on the theme "Hobbies Heal: Fun, Friends, and Balance," scheduled for **22 August 2026** at Birla Public School Ganganagar.

"Hobbies are not just a way to pass the time; they are a path to self-discovery, emotional healing, and personal balance."

The assembly will highlight the importance of engaging in creative pursuits, nurturing friendships through shared interests, and maintaining a healthy balance between academics and recreation in today's fast-paced routine. Our students will explore how meaningful hobbies act as an antidote to stress, foster joy, and build resilience. As the famous saying goes:

"To plant a garden is to believe in tomorrow."

Through a powerful dance, music, poetry, and thought-provoking speeches, our students will creatively express how young minds can unwind, discover hidden talents, and nurture holistic well-being through wholesome activities.

Interactive Session for Parents

Following the assembly, we are hosting a special 30-minute interactive session exclusively for parents. This session will provide an open forum to discuss practical strategies for encouraging children to explore offline interests, managing screen time effectively, and supporting their creative endeavors. We highly encourage you to stay, share your insights, and connect with our educators.

We encourage all class VI-A students to participate actively and showcase their talents. Parents are warmly invited to join us and appreciate the efforts of our young learners..
