Inter House Rubik's cube & Mathematics Quiz Competition

"Where curiosity meets logic, Mathematics becomes an adventure."

**Dear Parents and Students,
Greetings!**

We are delighted to announce that the **Inter-House Rubik's cube and Mathematics Quiz Competition** will be held on **10 September 2026**, providing an exciting platform to nurture students' **love for Mathematics, logical thinking, problem-solving abilities, and mathematical curiosity.**

The quiz will provide students with an opportunity to move beyond routine classroom learning and apply their mathematical knowledge through **challenging, thought-provoking, and engaging questions.** It will also encourage confidence, quick thinking, healthy competition, and teamwork.

Categories

- **Category I:** Classes III to V
- **Category II:** Classes VI to VIII
- **Category III:** Classes IX to XII

Selection of Participants

Rubik's Cube Competition:

- One participant from each House will represent each category.
- Thus, each House will nominate one student from Category I, one from Category II, and one from Category III for the Rubik's Cube Competition.

Mathematics Quiz:

- **Four participants will represent each House in each category.**
- Participants will be nominated based on their **academic performance and mathematical aptitude in their respective classes.**
- **The decision of the respective House In-charge regarding the selection of participants will be final and binding.**

Students are encouraged to continue strengthening their **conceptual understanding, mental mathematics, numerical skills, logical reasoning, and problem-solving abilities** to prepare themselves for this exciting competition.

Let the numbers challenge you, the logic guide you, and the joy of Mathematics inspire you!
