EVS EVENT – Explore Rainbow Colours

**Dear Parents & Students,
Greetings!!**

We are delighted to announce that BPSG is organizing an exciting EVS event, “Explore Rainbow Colors”, for our UKG students. This activity will help our young learners discover and explore the beautiful world of colours through fun, hands-on and experimental activities. Students will learn about different colours, their combinations, and how colours brighten our world.

Highlights of the Event

- Fun and interactive colour-based activities.
- Simple experiments to observe and understand colours.
- Encourages creativity, curiosity, observation and participation.
- Children will enjoy learning through exploration, play and hands-on experiences.

Activities & Experiments

- Colour Mixing Magic – Mixing primary colours to discover new colours.
- Rainbow in a Glass – Creating a simple rainbow using coloured water.
- Colour Sorting Activity – Sorting classroom objects according to their colours.
- Handprint Rainbow – Creating a colourful rainbow using handprints.
- Colour Hunt – Finding and matching different colours around the classroom.
- Magic Colour Experiment – Observing how colours mix and change.

Objectives of the Activity

- To help children identify and name different colours.
- To develop observation, creativity and fine motor skills.
- To encourage curiosity and early scientific thinking.
- To help children understand simple colour combinations.
- To promote joyful learning through hands-on experiences.

General Instructions for Students

- The event is scheduled for Monday, 17th August 2026.
- Students should participate actively and confidently in all activities.
- Students will be encouraged to observe, explore and experiment under the guidance of the teacher.

Regards,
BPSG
