Theme: Mastery Begins with Mastering Yourself

Dear Parents and Students,

Greetings!

We are delighted to invite you to the **Special Assembly by Class V-A**, centred on the inspiring theme "**Mastery Begins with Mastering Yourself**," scheduled for **19th August 2026** at **Birla Public School Ganganagar**.

"True success is not measured by how we conquer the world, but by how well we conquer ourselves. Self-discipline, resilience, confidence, and a positive mindset are the stepping stones to excellence in every walk of life."

The programme will commence with a graceful **Devotional Dance**, invoking divine blessings and setting a serene tone for the event. This will be followed by inspiring speeches, a melodious **Group Song** highlighting the values of self-belief, perseverance, and inner strength, and an engaging **English Act** depicting how determination, self-control, and continuous self-improvement empower individuals to overcome challenges and achieve their goals. Through these meaningful presentations, our students will emphasise that true mastery begins with self-awareness, discipline, and the courage to strive for personal excellence. The assembly aims to inspire both students and parents to embrace lifelong learning and cultivate the habits that lead to success.

Parent Enrichment Session

Following the assembly, parents are cordially invited to an interactive **30-minute Parent Enrichment Session** in the **Conference Room**, featuring an insightful talk by **Ms. Manisha Rathore** on fostering self-discipline, confidence, and positive values in children while strengthening the partnership between home and school.

We cordially invite all parents to join us for this enriching experience and encourage the students of **Class V-A** to participate enthusiastically and showcase their talents.
