USO INTER-SCHOOLS FEST 2026

EVENT REPORT

Day & Date: 31.10.2026 (Saturday)
Venue: Birla Balika Vidyapeeth, Pilani
Event Name: "USO Inter-Schools Fest 2026"
Category: Inter-School Competition

Objective of the Activity:

To provide a common platform for students from different schools to showcase their talents, creativity, knowledge and skills through various literary, cultural, artistic and scientific competitions. The event aimed to promote healthy competition, teamwork, confidence, creativity and effective communication among students. It also sought to encourage scientific temper, artistic expression and cultural exchange while fostering mutual respect and camaraderie among participating schools.

Total No. of Participants: 124

Brief Note about Activity:

The USO Inter-Schools Fest 2026 was organised at Birla Balika Vidyapeeth, Pilani, with enthusiastic participation from various schools. A total of 124 students participated in different competitions.

The programme was graced by **Maj. Gen. S. S. Nair, AVSM (Retd.) –** Director, Birla Education Trust (Pilani), **Dr. G. S. Gaur –** Deputy Director (Finance), Birla Education Trust (Pilani), **Mr. Ajay Kr. Agarwal –** Deputy Director (Admin & Legal / A&L), Birla Education Trust (Pilani) .The fest featured the following competitions:

1. **English Debate:** Students showcased their debating abilities, logical reasoning and communication skills.
2. **English Speech:** Participants expressed their ideas confidently and demonstrated their oratory skills.
3. **Group Dance:** Students presented vibrant performances reflecting rhythm, coordination and cultural expression.
4. **Skit and Drama**: Participants conveyed meaningful messages through creative acting and theatrical performances.
5. **Science Exhibition**: Students displayed innovative scientific ideas, working models and experiments, reflecting their curiosity and scientific temperament.
6. **Painting**: Participants exhibited their imagination and artistic skills through colourful and creative compositions.

Outcome of Activity:

The USO Inter-Schools Fest 2026 provided an enriching platform for students to explore their potential and learn through interaction and healthy competition. It helped develop confidence, communication skills, creativity, teamwork, leadership qualities and scientific thinking. The event also strengthened inter-school relationships and encouraged students to appreciate diverse talents and perspectives.

The fest proved to be a memorable and enriching experience for all participants, reinforcing the importance of holistic education and experiential learning.
